FLOORSTANDING LOUDSPEAKER

Experience music like never before with Elipson's Legacy range.

Fast, luminous, with perfect extension of the extreme frequencies, expressive midrange and an airy, realistic sound image, these are just some of the qualities that characterise Legacy loudspeakers. When all is said and done, they're forgettable, leaving room for musical pleasure that's close to the real thing.

The Elipson Legacy 3220 floorstanding loudspeaker is part of the Elipson Legacy loudspeaker range, which also includes the Elipson Legacy 3210 compact loudspeaker and the Elipson Legacy 3230 floorstanding loudspeaker.

The Legacy 3220 is a 2 1/2 way model with 6.5" diameter bass and midrange drivers, topped by a wide dispersion AMT tweeter.

Built with the utmost care and attention to detail, Elipson's French loudspeakers embody elegance, sophistication and superior sound quality.
